

SAVAGE BROS. CO.

A 21st Century Company.....with 19th Century Craftsmanship

GAS CANDY STOVE

A tradition to the candy industry for over four generations

Our gas candy stoves use our even heat jet system. Natural or propane gas compatible, made with a stainless steel outer shell, cast aluminum legs, safety gas pilot, and built to last for many years. It's no wonder that **SAVAGE BROS.** has been the candy industry leader for over 150 years.

Even heat jet burner system

Choose the gas stove that best suits your business:

	Maximum	20 x 11 in. (11 gal) 500 x 290 mm. (41.8 L)	20 x 16 in. (15 gal) 500 x 400 mm. (57 L)	Any 24 in. diameter Any 600 mm diameter
Shipping weight		55 lbs 25 kg.	68 lbs. 30 kg.	132 lbs. 60 kg.

*Specify high altitude jet, if required

**American Gas Association (AGA) certified

Optional reducing rings

These are circles of cast iron which allow you to use smaller kettle sizes on any **SAVAGE BROS.** gas stove. The rings nest in position on the cast iron stove top and create a strong, solid support surface for smaller kettles or if a complete set is used, a flat bottom pot.

Item Description	Inside Diameter	Best kettle size	Stove model # and ring part #		
			Model #10	Model #20	Model #33
